Greetings from Massachusetts!

I am happy to report that as God leads me from my time at Gordon Conwell Theological Seminary He has been opening doors for me to step into my vocational calling as a missionary!

This summer I will be going on a short-term mission trip to Japan with a long-term vision in mind. I have been accepted as a “summer intern” with Mission to The World, a global missions-sending agency of the Presbyterian Church in America (PCA).

Firstly, you can join me by praying for the nation of Japan! That God would soften the hearts of the people for any seeds of the good news of His salvation to take root, be tended to, and grow. Our God is a mission minded God who longs for all His people to come to Him. He has been and already is on the move in this land! “For God so loved the world that he gave his one and only Son, that whoever believes in him shall not perish but have eternal life.” (John 3:16)

Secondly, please pray for this summer trip I am taking. For God’s protection and unity over myself and the other members of our team. For the missionaries and agencies already at work in Japan.

Thirdly, please pray about partnering with me through financial support. This trip will cost approximately \$9,000 USD in order to cover airfare, housing, and food while I am there. If you would like to support me this way, you can find information on how to mail a check on the Pledge Card or you can donate online at <https://mtw.org/missionaries/solis-christina>.

**Japan is an unreached nation and God is calling me to go. “My Father is working until now, and I Myself am working.” (John 5:17)
Let nothing prevent us from uniting together in the work of sharing the love of God with the world!**

Thank you for prayerfully considering this opportunity!

**In Christ,
Christina Solís**
