

An autumn-themed illustration featuring a landscape with trees in shades of orange, yellow, and red. A small brown cabin with a red roof is nestled among the trees on the left. The foreground is filled with various types of leaves, including large yellow ones and smaller red and orange ones. In the background, there are rolling hills and a pale sky with a few birds flying. The overall style is soft and painterly.

HOMECOMING 2025

Sacrificial Offerings

Every Christian community of faith exists and progresses because of the love of the congregation through their sacrifice in giving...giving of money, time, resources, prayers and in support of one another.

When sacrifice is not present then problems overcome us, plans are derailed, and the purpose of God is delayed.

Your Homecoming offering should be a sacrificial gift above and beyond your regular church giving."

The background of the entire graphic is a soft-focus photograph of a mobile food pantry, which is a wooden cabinet with a glass door and a handle. It is situated outdoors on a grassy area. The image is overlaid with a warm, orange-toned watercolor wash. Scattered throughout the background are various autumn leaves in shades of red, orange, and yellow. Some leaves are whole, while others are falling or partially obscured by the watercolor effect.

**Our mobile food pantry,
in partnership with the
